IN A NUTSHELL

Artist, Art Teacher & Founder of Creative Art Studio, Tiny Cupboard Creatives.

Artist | Yaz Gaté (left) vibes with BIG bold lines, modern botanics and bright colours - all of the above can be seen in her works. She takes inspiration more so from artists' philosophies than their techniques or genre. No lies though, she does have a soft spot for Matisse in his later years.

As a second-gen Filo Australian, she is also fascinated with exploring her disconnect to her cultural heritage.

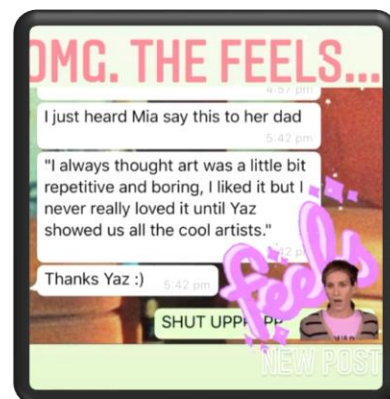

Teacher | Having taught for 17+ years in Australia and the UK, Yaz is passionate about making art accessible to all ages and skill levels. Her approach is based on self directed learning and involves both modern and past artists.

Also | Wife & Mama, Breast Cancer Survivor, Curator of Creatives,

Tiny Cupboard Creatives | Is a Melbourne-based art school for creatives of all ages dedicated to:

1. Sparking creativity & self confidence through connection with art.
2. Creative exploration without dependence on resources
3. Discovering art for joy- independent from reputation or recognition.

Everything Tiny Cupboards Creatives does is aimed at inspiring.
